

Rebroadcast Schedule

Regular Commission Meetings: 7AM and 7PM daily.

P & Z Meetings: 2PM and 2AM daily

Special meetings are scheduled to run within available time slots.

In an effort to find a cohesive schedule, rebroadcasting of additional meetings may force a change in the start time of the Commission Meetings or P&Z Meetings. Varying meeting lengths may also force a change in meeting start time.

Live Meetings supersede all rebroadcast programming.
